

VISITING VETS INFORMATION FORM

Firstly, a big thank you for offering to come and help us, and the animals here in Thailand. In order to ensure that we all get the most from your trip, we'd be grateful if you could take a few minutes to complete the following form. From here we can assess how to best utilise your skills during your time with us and save valuable ground time! Many thanks, and if you have any questions, please feel free to contact us at any time.

Additionally, all visiting vets are requested to donate **USD\$ 250 per week** of placement here at PAWS to cover the costs associated with the placement. It is envisaged that these funds should be raised through sponsorship, rather than being paid out of your own pocket and if you'd like some fundraising ideas, please drop us an email - we'd be happy to help!
